Letter From Chairman

For over 76 years Majestic Realty has been successfully developing and owning strategically planned business and industrial centers. My father started this company in 1948 with little more than a dream and a good head for businesses. But he was a very hard worker, and he always kept his promises. Today we own over 92 million square feet of development in a diversified real estate portfolio. And importantly, my father's integrity and work ethic are at the core of Majestic Realty today. Trust is the foundation on which our company was built, and I believe that is represented in our long-standing business and community partnerships today.

Like my father, I have always believed in the importance of investing in, and being active members of, every community in which Majestic is located. This core philosophy remains an integral value, impacting how we do business. Our business model of maintaining ownership of all our properties creates a vested interest for us that each one is a long term success and it also requires that we help build sustainable communities. Likewise we build long term relationships with our tenants and financial partners, helping our tenants address their real estate needs as their businesses expand across the nation.

Beyond building environmentally friendly projects which create jobs close to our population centers and generating revenue for their cities, our Majestic Realty Foundation works closely with local organizations to help improve the quality of life for the at risk and under-served.

Yet I truly believe that Majestic's greatest assets are the commitment and passion of our team. Regardless of the specific talents, we work together as a team of dedicated professionals, sharing a vision – not just to make a deal, but to make a difference.

We believe that the actions we take every day help shape a future that we will all be proud.

Sincerely,

Edward P. Roski, Jr.
Chairman of the Board
Majestic Realty

"We are proud to be recognized for our role in the Clean Trucks Program Partnership, whose efforts have significantly reduced air pollution in our communities. It is an honor to receive the Environmental Protection Agency's Environmental Justice Achievement Award."

Edward P. Roski, Jr.
Chairman of the Board

Majestic Realty

Our Mission and Commitment

Maintaining our position as an industry leader, Majestic Realty continues to expand its portfolio. We develop quality real estate projects which create value for our clients and partners, contribute positively to our communities, and always reinforce our objective of long-term ownership.

A Development Strategy that Delivers Promised Results

As true portfolio developers, we retain and hold virtually every project undertaken. This single factor impacts partner selection, the economic viability of projects as long-term investments, quality and efficiency in the construction process, client selection, as well as how properties are managed and maintained. Our consistent attention to detail yields successful projects in every sense.

- We exceed industry standards with each project and set a high threshold for subsequent development.
- We produce measurable benefits for host communities in terms of jobs created, increased tax revenues, and high-quality businesses and community reinvestment through the Majestic Foundation.
- We manage and maintain properties for the long-term benefit of our clients and partners.

The Majestic Advantage

Family owned and operated since 1948, Majestic Realty is one of the oldest and largest, privately-held real estate development companies in the United States. We are extremely proud of our history of success and the integrity and innovation we bring to the market through the development of best-in-class and iconic projects in the industrial, office and retail space, as well as sports, entertainment and hospitality. Our rock-solid reputation, financial strength and diverse portfolio are driven by a team of seasoned professionals who continue to lead and exceed industry expectations.

Relationship Driven—our relationship-driven, people-focused approach allows us to maintain open lines of communication and trust with our high-quality, industry-leading tenants – including many Fortune 500 companies. These relationships often span decades and include multiple projects and communities. Long-term partnerships have been built and nurtured with many of the nation's leading financial institutions/lenders, joint-venture and other key business partners integral to the success of our projects. This engaging approach powers meaningful relationships within each local community, city, county and state we operate within.

Stability and industry vision—Earning our reputation and recognition as a high quality, trusted industry leader, we have developed 120 million square feet of product and maintain ownership of 91-million square feet in our current portfolio. Our comprehensive approach and reliable project delivery are the result of the expertise, accountability, hard work, and consistency we bring to every project. Coupled with our financial strength, these core assets enable us to deliver on each and every project while anticipating future market trends and development innovation.

The Majestic Advantage

Vertically integrated—We employ our own in-house development professionals whose leadership and continuity as a connected team help drive each project through the planning, design, construction, leasing and property management phases. With an average tenure of more than 20 years, our team members are highly adept at their specialties and their combined skills and experience allow us to deliver projects when promised and results within budget.

Long-term community perspective—Developing projects from the ground up on a foundation of integrity and quality, we build and maintain ownership of our sustainable assets focusing on job creation, tax revenue and enduring community value and benefits. From design to delivery, the materials and methods, waste management and operational life of our buildings and communities create better outcomes for the tenants and communities we call home. As a private developer, we act with a timely, creative, thoughtful approach and a long-term perspective designed to help our tenants and communities thrive.

Philanthropy – Magnifying our community impact, the Majestic Realty Foundation, established in 2002, empowers our team members and a wide-range of local nonprofit partners to work together and increase their capacities to solve complex community problems in the areas of youth, education, family, health and violence prevention. In addition, the Land of the Free Foundation, founded by Majestic Board Chairman, and Marine Corp. Veteran Ed Roski, Jr., along with colleagues Kent Valley (U.S. Marine Corp.) and John Semcken (U.S. Navy), has contributed more than \$15 million to some 75 charitable organizations serving veterans of the U.S. Armed Forces and their families.

Chairman of the Board

Edward P. Roski, Jr.

Chairman of the Board

Edward P. Roski, Jr. (Ed) is the Chairman of the Board of Los Angeles-based Majestic Realty Co. In addition, he is co-owner of the Los Angeles Kings, Los Angeles Lakers, and the Crypto.com Arena (formerly Staples Center).

Built on a foundation of best-in-class industrial buildings, Ed's direction and tireless efforts since joining his father's company in 1966 have helped Majestic grow to become an industry leader as the largest, privately-held development company in the country with a diverse, 92-million-square-foot portfolio.

Ed has also led Majestic's expanding portfolio over the past few decades to include office, and retail, as well as sports, entertainment, hospitality and multi-family projects including Crypto.com Arena, as well as the award-winning transformation of the Fort Worth Stockyards National Historic District, and the Silverton Casino Hotel in Las Vegas, among others.

A generous and well-respected philanthropist, Ed personally commits his time and resources to countless organizations, including serving on the Board of Trustees of the University of Southern California. The Majestic Realty Foundation was established in 2002. The foundation's charitable giving and community outreach focuses on youth, family, education, health, and violence prevention.

Having served as an officer in the United States Marine Corps from 1962 to 1966, he is the recipient of a Bronze Star and was decorated for bravery with two Purple Hearts. A member of the Congressional Medal of Honor Foundation, Ed takes tremendous pride in supporting our country's military veterans. In 2007, he co-founded the Land of the Free Foundation, which has contributed more than \$15 million to some 75 charitable organizations serving veterans of the U.S. Armed Forces and their families.

Outside of his professional and civic endeavors, Ed's great love is adventure travel. A member of the famed The Explorers Club, he has climbed to Base Camp at Mt. Everest, K2, and Mt. Kilimanjaro, ridden his bike across Mongolia, Russia, and Burma, made several deep-water dives throughout New Guinea, and descended in a Russian submersible to the wreckage of the Titanic, 2.5 miles beneath the ocean surface.

Born in Oklahoma and raised in Southern California, Ed graduated from the University of Southern California in 1962 with a Bachelor of Science degree in Finance and Real Estate. He resides in Los Angeles and is blessed with three children and eight grandchildren.

Majestic Realty

Board of Directors

Reon Roski

President and Chief Executive Officer

Reon Roski currently serves as President and CEO of Majestic Realty, a position she was appointed to in June 2024. A Board Member since 1997, she joined the company as Senior Counsel in March 2007 and was named Managing Director later that year. Reon is responsible for the company's day-to-day operations and is instrumental in the continued growth of Majestic's portfolio.

Reon is the granddaughter of the company's late founder, Edward P. Roski, Sr., and daughter of its current Chairman of the Board, Edward P. Roski, Jr.

Prior to coming in-house, Reon served as a highly-respected real estate attorney for two L.A.-based law firms where she managed numerous large, complex and innovating real estate transactions, averaging more than 18 million square feet of transactions per year.

A graduate of the University of Southern California and Loyola Law School, she completed extensive studies abroad, including graduate school in China. Fluent in Mandarin, Reon worked for the Chinese government with respect to real estate matters.

Reon serves on the Board of Trustees of the University of Southern California, the Board of Directors for Exposition Park and the California Science Center. Reon also serves on the Board of Directors at Loyola High School and the Board of Directors for Operation Walk. She is a member of YPO, Chief Executives Organization, The Real Estate Roundtable and NAIOP. She is a member of the Board of Leaders for the USC Marshall School of Business, the Board of Directors of the Lusk Center for Real Estate at USC, and the Keck Medicine of USC Board of Councilors. Reon has been named one of the "Women at the Top" by Commercial Real Estate Women (CREW) and one of Bisnow's *LA Power Women*.

Board of Directors

Edward (Trey) Roski, III

Vice President, Board Member

Edward P. Roski III, known as Trey, is Vice President and serves on the Board of Directors for Majestic Realty. After beginning his career with the company, Trey pursued his entrepreneurial and creative spirit with opportunities in digital design – including website creation, branding and video production – and the launch of what would become a global phenomenon with the creation of BattleBots. His lifelong fascination with machinery evolved into a televised series, extensive merchandising and a massive fan base.

In addition, Trey ventured into theater production with his inaugural show, Destruct-A-Thon, in collaboration with Caesars Entertainment. The acclaimed show received a 2023 nomination for Best New Vegas Show.

Deeply committed to educational and philanthropic endeavors, Trey's BattleBots hosts camps across American universities annually, nurturing future engineering talents. Through the BattleBots BotsIQ Foundation, Trey works to break down socio-economic barriers and promote STEM education, reflecting his dedication to giving back to the community.

Trey graduated from California State University Long Beach with a degree in Finance. Inspired by his father's entrepreneurial spirit and a family tradition of adventure, he explores diverse interests—from scuba diving on The Great Barrier Reef to trekking in the Himalayas. He owns Sky-Time, a helicopter tour company, reflecting his passion for aviation. Amidst his ventures, Trey treasures time with his wife Colleen and their son, Q (Edward P. Roski IV).

STAPLES currently occupies a 500,000-square-foot logistics facility in Ontario, CA. Developed, owned and operated by Majestic Realty, the facility houses STAPLES' business fulfillment operations for Southern California.

"We have been a Majestic Realty client for over twenty years and have been very impressed with the level of service Majestic provides. From the very beginning they worked closely with us to help meet both our strategic business needs as well as the operational needs of our warehouse. When we have concerns or issues come up, which is inevitable in a logistics setting, they are always quick to respond. Problems are resolved promptly and professionally, which I believe is the true test of a company's core values."

"There are countless challenges to our freight and transportation industry. We're incredibly honored and proud to have a seat at the table as we all work toward finding the best long-term solutions to these critical components of our economy."

Edward P. Roski, Jr.
Chairman of the Board,
Majestic Realty

Environmental, Social, & Governance

Sustainable Development

In addition, we are immersed in industry and public policy at various levels of local, state and federal government, including the appointment of a Majestic executive to the U.S. Department of Transportation's National Freight Advisory Committee which advises the Secretary of Transportation regarding America's strategic freight plan.

Sustainable Strategies in Our Building Portfolio:

- **Client Collaboration on Retrofits:** We work with clients to implement lighting and HVAC retrofits, enhancing energy efficiency.
- **Natural Daylighting:** We install clearstory windows to maximize natural daylighting, reducing the need for artificial lighting.
- **Water Reclamation:** We use reclaimed water for irrigation whenever available, conserving potable water.
- **Water Usage Reduction:** We reduce water consumption by removing lawns and traditional irrigation systems.
- **Low-VOC Materials:** We use low-VOC paints and sealers to improve indoor air quality.
- **Clean Technology Integration:** We utilize clean technologies, such as solar photovoltaics and EV Auto and Truck Chargers, to reduce our carbon footprint.

Community Engagement

Equally important to the development of our quality projects and communities, is our ability to establish and maintain active engagement in these local markets. That means taking an active role in working with our strategic partners and local organizations to provide both financial contributions and active participation by members of our Majestic family. Over the past several decades, Majestic's leadership team and our entire staff have continuously committed both their time and resources to countless local charitable and civic organizations.

Our philanthropic and community outreach efforts ultimately led to the formation of two unique foundations – Majestic Realty Foundation and the Land of the Free Foundation – that have raised and distributed tens of millions of dollars to a diverse range of people and organizations.

Launched in 2002, the Majestic Realty Foundation is active in markets where our company develops and owns real estate and participates with local not-for-profits focused on making a difference in a wide range of local issues and needs. Together, we are working to enhance the quality of life in these communities and dedicating the industry expertise and resources needed to help build and strengthen local economies with a commitment to equity and inclusion in all we do.

Land of the Free Foundation

After many years of individual giving and fundraising, Edward P. Roski, Jr., a recipient of a Bronze Star and two Purple Hearts, and his Majestic Realty Co. and military service colleagues, Kent Valley and John Semcken, founded and launched the Land of the Free Foundation in 2007.

Distributing more than \$1 million annually, the Foundation has touched the lives of thousands of veterans and their family members. For more information visit: LOTF Foundation.

What's Next:

While incredibly proud of the work we've done, the leadership we've shared and the results we've achieved with our diverse team of professionals, as well as our tenants, business and community partners, we also recognize that there is clearly more work to be done across all of these important issues and we look forward to being a part of that effort in the years and decades to come.

"At the Majestic Realty Foundation, we have built our charitable giving program around the concept of 'active philanthropy.' We have moved beyond sending a check and hoping for the best. Now in addition to our financial contributions, we take leadership roles in local organizations; donate countless hours; and recruit the resources from our tenants, vendors, brokers and others to help meet the many needs in our communities."

Majestic Realty Foundation

Environmental, Social, & Governance

Majestic Realty Foundation

As developers, Majestic Realty builds business parks that serve communities across 12 states. Indeed, this perspective gives our employees unique insight into grassroots community needs. The Majestic Realty Foundation grew out of our realization that community needs were growing rapidly. We saw that great numbers of youth and families were at risk from increasing gang-related violence. We saw that homelessness and hunger impacted more families than ever; plus high school drop-out rates reach epidemic proportions. But we also saw that together, we could make a difference.

In 2002, our company's longstanding tradition of corporate giving was formalized with the launch of the Majestic Realty Foundation – now the cornerstone of our community investment program. As builders first, we know the value of creating communities of promise, where families and businesses know their futures are secure and bright. To this end, we have devoted time and resources to build collaborations and provide professional training to help local nonprofits increase their capacities.

"These are the kinds of partnerships [with Majestic Realty Foundation] that really make a difference for kids who live in Los Angeles' most at-risk and under-served neighborhoods."

Irene De Anda Lewis, Executive Director
The Salvation Army Red Shield Youth & Community Center

Active Philanthropy

We embrace the concept of "active philanthropy," viewing our involvement as much more than just writing checks to grantees. Instead, we look for strategic nonprofit partners in our communities. In addition to our financial contributions, we take leadership roles in local organizations, donate countless hours and recruit the resources of our clients, vendors, brokers and others, to help meet the many needs in our communities.

"The Majestic Realty Foundation's commitment to building capacity in the nonprofit sector is a model for all foundations and individuals to follow."

Fran Smith, Executive Director,
Volunteer Center of Southern Nevada

Building a Brighter Future, One Student at a Time

In Southern California, the Majestic Realty Foundation's commitment to active philanthropy is clearly demonstrated through its flagship program, the Los Angeles Youth Leadership Council (LAYLC). As a leadership

and teambuilding collaborative, LAYLC brings together 80 high school student leaders from 43 separate LA schools. Each attends one of six inner-city youth centers: the Bresee Foundation, El Centro del Pueblo, Heart of Los Angeles (HOLA), Para Los Niños, Salesian Boys & Girls Club and The Salvation Army Red Shield Center. Through monthly meetings and enrichment activities, the LAYLC empowers students from Los Angeles' most challenged neighborhoods to develop and apply leadership skills through participation in an annual camp, college tours and forums with high-profile guest speakers. Additionally, students receive training in public speaking, economic literacy and civic affairs.

The Majestic Realty Foundation believes that youth centers have the power to curb youth violence, develop strong leaders and create safe communities.

Land of The Free Foundation

Edward P. Roski, Jr. and his Majestic Realty and military service colleagues, Kent Valley and John Semcken, founded The Land of the Free Foundation -- committed to celebrating and supporting the men and women of the U.S. Armed Forces -- past, present and future.

As veterans of the Navy and Marine Corps, we have been fortunate in both our businesses and being able to share resources with our fellow service men and women through this Foundation. In many cases, simple appreciation is all our service personnel need or want. In other cases the needs of the troops and their families far exceed what they or our government can afford and the Land of the Free Foundation is committed to help bridge the gap.

All money raised by The Land of the Free Foundation goes directly to programs that support our country's armed service personnel and their families. Our goal is to help those brave men and women and help ensure that the commitment and dedication of our nation's heroes will never be taken for granted, and that all Americans recognize that, because of the sacrifices that our armed service personnel have made, we will always live in the "Land of the Free."

Mission

The Land of the Free Foundation is committed to celebrating the men and women of the Armed Forces of the United States, past, present and future. The foundation will support programs that help our armed service personnel and their families and will ensure that the commitment of our nation's heroes will never be taken for granted and that all Americans recognize, because of the sacrifices of our armed service personnel, we will always live in the "Land of the Free".

"Each year, Bob Hope USO directly interacts with more than 150,000 service members and military families across a 37,000 square mile swath of Southern California. The ongoing support of the Land of the Free Foundation has been instrumental in making sure that no matter where they are or where they are coming from or going to, our troops and their families know how much America appreciates their service and gives thanks for their sacrifices. "

Bob Kurkjian,
Executive Director, Bob Hope USO

It is with a deep sense of gratitude that we express our appreciation for the Land of the Free Foundation's exceptional support of the Tragedy Assistance Program for Survivors (TAPS) in caring for the military families of America's fallen heroes. Over the past seven years, the Land of the Free Foundation has raised more than \$1,000,000 for TAPS. Every dollar raised is donated directly to the charities. All expenses are fully covered through the generous support of John, Ed and Kent. Truly remarkable!!

Benefits of a Master-Planned Business Park

Majestic Realty's master-planned business developments offer tenants cohesive, state-of-the-art design and construction in park-like settings. Located along key transportation corridors in strategic locations throughout the nation, the parks are recognized by brokers, tenants, local officials and workers for premier amenities and economic benefits.

With our portfolio approach to development, tenants benefit from single ownership, which enhances market value. All developments are created to provide high-profile corporate identity and maximum efficiency when it comes to traffic circulation and parking. And because of our multiple locations in strategic markets nationwide, our large portfolio offers our tenants the flexibility to expand and grow.

A Successful Example of Community Investment

Majestic Spectrum – Chino, CA

The Majestic Spectrum is a 425-acre, mixed-use development consisting of 1.5 million square feet of retail and 8.1 million square feet of business park buildings – ranging from small office/flex/R&D buildings to large logistics facilities. The Spectrum is strategically located 20 miles from the Port of Long Beach, with easy access to major Southern California thoroughfares including the 60, 10, 15 and 71 freeways. First acquired in 1989, the former farmland has been transformed into a booming manufacturing, transportation, warehousing and retail hub in the heart of the Inland Empire.

"We're seeing significant demand in various cross-border markets, such as Laredo and El Paso, Texas, and Otay Mesa, California. This growth is largely driven by the nearshoring of manufacturing and supply chains from Asia into Mexico, which is creating a surge in demand for industrial space on the U.S. side to accommodate cross-border warehousing needs."

PointSouth Logistics Centre – Hutchins, TX

PointSouth Logistics & Commerce Centre is a 2-building 97 acre development consisting of approximately 1.25 million square feet by Majestic Realty located in Hutchins, Texas.

The Park is strategically positioned at the Southeast Quadrant of the conflux of two of the Country's busiest and most important interstates, I-45 and I-20. I-20 commonly known as "The Coast to Coast Highway" carries the bulk of truck traffic from the Southeastern U.S. and Atlantic Seaboard to the West Coast and specifically the LA / Long Beach area. I-45, commonly referred to as "The NAFTA's Highway" carries the bulk of traffic generated by product carry out of Mexico and Maquiladora to the DFW Area and in all directions from there.

The Southern sector has benefited from the Union Pacific Intermodal which was constructed approximately a decade ago and has acted as a tremendous catalyst to the area. It receives over 360,000 TEU's per year primarily from LA / Long Beach.

The highway and road system coupled with the municipalities in the area willingness to grant aggressive incentives in the way of tax abatements and grants has led to the area garnering close to 5 million square feet of deals in the past several years. Some of the notable ones being Kohl's, Pepsico, L'OREAL, Home Depot, Whirlpool, Ace Hardware, Unilever and FedEx.

PointSouth benefits specifically from the directly adjacent location of a regional FedEx Ground hub. Additionally, the visibility from I-45 and the immediate accessibility to I-45 and I-20 is unparalleled.

PointSouth's extremely competitive land cost will make it a very attractive alternative from an economic for prospective tenants combined all of the previously mentioned attributes.

Retail Centers

Majestic Realty Retail

Founded in 1992 as a division of Majestic Realty, Majestic Realty Retail focuses on building and managing a portfolio of high sales volume, promotionally oriented retail centers across the United States. We have found that success stems from selecting good locations with strong demographics. Our retail projects feature appealing architecture and a contemporary merchandising mix, enhancing the long-term success of both our centers and our tenants.

We prioritize creating shopping centers that not only meet the immediate needs of our tenants but also adapt to the evolving retail landscape. By incorporating elements such as lifestyle amenities, entertainment venues, dining experiences, and community spaces, we ensure our centers remain relevant and attractive destinations.

Our focus on long-term success extends to our tenants, with whom we build lasting partnerships. By supporting their growth and adapting our operations to their changing needs, we foster a collaborative environment that benefits both the retailers and the communities that we serve. Overall, Majestic Realty Retail is dedicated to developing and managing retail centers that stand the test of time and enrich the communities they serve while achieving commercial success.

Fort Worth Stockyards – Fort Worth, TX

Majestic Realty in partnership with the Hickman Companies has entered a public/private partnership with the City to redevelop 70 acres of the historic Fort Worth Stockyards. One of the most popular attractions in Texas, the Stockyards is a destination where visitors experience an authentic glimpse of the American West.

Majestic Realty is leading development efforts, including refurbishment of 190,000 square feet of historic horse and mule barns with existing brick facades and dramatic, soaring interiors. Completed in 2020, barns have been readied for carefully curated retail stores and restaurants featuring regional cuisine, outdoor patios and private dining rooms with sweeping views. BBQ joints, brewpubs and live music venues are transforming Mule Alley into a vibrant entertainment district and streetscape unlike anything in the DFW market.

40,000 square feet of creative office anchored by The American Paint Horse Association's world headquarters will include conference space, theater and retail gallery. RFD TV and The Cowboy Channel have built a working studio, guest tour and live broadcast stage.

Hotel Drover is a 200-room Marriott Autograph hotel with unique meeting spaces, luxurious event and wedding barn, café, pool, restaurant with outdoor dining and an expansive "backyard" environment bordering the banks of Marine Creek. Future development plans include a music festival district, equestrian arenas and multi-family residential.

Along with existing tours, western experiences for families and Stockyards Station, an adaptive reuse of historic sheep barns currently housing 22 stores and restaurants, visitors from around the world visit the Stockyards to channel their inner cowboy. Twice daily, a herd of 16 longhorn cattle walks the Stockyards' main street, attracting huge crowds for photo taking and firsthand conversation with real cowboy drovers about what it was like to drive cattle to market over a century ago.

The Stockyards currently attracts several million visitors annually, sure to grow as Majestic continues to interpret the past and envision the future for this historic gem in the heart of Fort Worth.
